

DO YOU HAVE A FIREWALL THAT LOOKS LIKE THIS?

THEN YOU'RE IN LUCK!

Coming soon Direct Sheetmetal will have a new smooth firewall with a 2" recess that will fit all 68-72 GM A-Body cars. This includes:

CHEVY
Malibu
Chevelle

OLDS
Cutlass
442

PONTIAC
GTO
Lemans
Tempest

BUICK
Skylark
GS

We can make this firewall with any width and depth recess you may need. It needs the 2" deep recess to match the stock tunnel.
